Helen Pybus

Helen has been actively involved in the fitness industry for many years. During that time she has studied a variety of disciplines and has taught a multitude of classes to both children and adults. Upon discovering the mind/body field she quickly knew that this was where her true interest lies and today she devotes her entire career to mind/body concepts. Initially Helen undertook her Pilates training with Modern Pilates where she was 1 of the first Pilates teachers in the UK to gain the CYQ Level 3 qualification in Matwork, Personal Trainer and Back Care, the highest national standard currently in the UK. She trained for a year with Body Control Pilates gaining her second Level 3 qualification. Over the last three years Helen has taken time to share her knowledge with others on both national and now international levels by presenting at major fitness conventions and by guest presenting at Champneys health resorts nationwide. Helen also continues her work locally as an Exercise Referral Consultant in Pilates at her local PCT and still enjoys teaching weekly Back Care classes. Helen is also now the proud owner of her company Pilates and Health.
