### Under Occupancy Charge:

Centre Parcs set a fee per villa regardless of how many people occupy that villa. Therefore, there is an under occupancy charge if there is not six people in your villa. For every person short, there is a £75 under occupancy charge. This works out as follows:

Number of people occupying villa	Under Occupancy Charge	Charge per occupant:
6	n/a	n/a
5	£75	£15
4	£150	£37.50
3	£225	£75
2	£300	£150
1	£375	£375

We will do our very best to try to help you to fill your villa with six people, however, we can not guarantee this, and hence under occupancy fees would apply if there are not six people occupying the villa.
